HQ AETC/LGSP

AFMAN 23-110, Volume II, Part Two, Chapter 23, 1 January 2001, is supplemented as follows. This supplement applies to organizations supported by SAFB Base Supply, including tenants and satellites. It does not apply to any geographically separated unit. Maintain and dispose of records created as a result of processes prescribed in this publication in accordance with AFMAN 37-139, **Records Disposition Schedule** (will become AFMAN 33-322, Volume 4).

23.23.2. Issue Exception Code (IEX) "E" is assigned to one-time requirements.

23.42.6.5 (Added)(SAFB). The following procedures apply to the issue and turn-in of flight equipment to Euro Nato Joint Jet Pilot Training (ENJJPT) personnel:

23. 42.6.5.1.(Added)(SAFB). Replacement of unserviceable items will be expensed to the appropriate country.

23. 42.6.5.2.(Added)(SAFB). Replacement of serviceable items (wrong size, etc.) will be a one-for-one exchange if returned within five workdays of issue and had not been worn or washed. All sewn on emblems, flags or rank must be removed prior to turn-in. Items that do not have the sewn articles removed or have been worn/washed will not be accepted for exchange. IEE will then require a letter authorizing the reissue of the clothing.

23. 42.6.5.3.(Added)(SAFB). Unserviceable items can be retained by the SNR or processed to Defense Reutilization and Marketing Office (DRMO) by the IEE. Clothing items must be cleaned by the country turning in the items prior to transfer to DRMO.

JOE F. HARRISON, Colonel, USAF
Vice Commander
